BWC / Member News

Help!!!

A question from a member.

One of our companies is required to register with the CMS as they are a participant in the 15K MEDICAL ONLY PROGRAM. I am not having much success getting information on how to do this and was hoping that if some of the other Safety Council reps had registered for the program they might have some useful information.

If you can answer this question please contact Alberta Marion at 374-2306 or amm@allianceindustries.net

Semi-Annual Reports Going Out

The BWC semi-annual reports for the reporting period of January 1 ~ June 30, 2009 will be going out via e-mail to all MOVSC members July 1.

Completing the report is a requirement for participation in the Safety Council.

Do you have member news to share? If so send it to smith@mariettachamber.com.
